INDEPENDENT AUDITORS' REPORT

To the Board of Directors Senior Services, Inc. and Subsidiary Winston-Salem, North Carolina

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Senior Services, Inc. (a nonprofit organization) and subsidiary which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the year ended, and the related notes to the consolidated financial statements which collectively comprise of the Senior Services, Inc. and subsidiary's basis consolidated financial statements as listed in the table of content.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the respective financial position of Senior Services, Inc. and subsidiary as of June 30, 2017, and the respective changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Senior Services, Inc. and subsidiary's 2016 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated October 6, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements that collectively comprise Senior Services, Inc. and subsidiary's basic consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 6, 2017, on our consideration of Senior Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Senior Services, Inc.'s internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Senior Services, Inc. ("Senior Services") is a nonprofit organization incorporated in 1974 that is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. The mission and purpose of Senior Services is to help older adults age at home as long as possible and live with dignity. With concern for those who care for senior adults, Senior Services also strives to assist caregivers. Individuals who cannot afford to pay for services are of special concern to Senior Services and receive assistance to every extent possible through philanthropic contributions and available public funds.

The Senior Services Foundation, Inc. ("Subsidiary"), which was incorporated on March 8, 2001, is a legally separate organization from Senior Services, Inc. The purpose of the Senior Services Foundation, Inc. is to support Senior Services, Inc.

A summary of Senior Services' significant accounting policies follows:

Financial Statement Presentation

Senior Services reports financial information regarding its financial position and activities according to three classes of net assets:

<u>Permanently restricted net assets</u> contain donor-imposed restrictions that stipulate the resources be maintained permanently, but permit Senior Services to use or extend part or all of the income derived from the donated assets for either specified or unspecified purposes.

<u>Temporarily restricted net assets</u> contain donor-imposed restrictions that permit Senior Services to use or extend the assets as specified. The restrictions are satisfied either by the passage of time or by actions of Senior Services.

<u>Unrestricted net assets</u> are not restricted by donors, or the donor-imposed restrictions have expired.

Contributions

Gifts of cash and other assets are presented as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Senior Services recognizes as unrestricted support any donor-restricted contributions whose restrictions are met in the same reporting period as received.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions (continued)

Gifts of land, buildings and equipment are presented as unrestricted support unless explicit donor restrictions specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, Senior Services reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service in Senior Services' activities.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected over periods in excess of one year are recorded at the present value of the estimated cash flows beyond one year. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in the contribution revenue.

Cash and Cash Equivalents

For purposes of reporting cash flows, Senior Services considers all cash investments with a purchased maturity of three months or less to be cash equivalents. At June 30, 2017, Senior Services had bank deposits which exceeded federally-insured limits.

Accounts Receivable

In 2017, the Organization has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$2,500. Property and equipment are stated at cost unless donated. Donated equipment is stated at fair value at date of gift. Depreciation is provided on a straight-line basis over estimated useful lives of generally 3 to 15 years, except for buildings which are being depreciated over a life of 39 years.

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses, including functional allocations, during the reporting period. Actual results could differ from those estimates.

Donated Services

The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. The Organization receives more than 47,000 volunteer hours per year.

Income Taxes

The Organization is an exempt organization under Section 501(c)(3) of the United States Internal Revenue Code. The Organization is subject to income tax on unrelated business income. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, and federal Exempt Organization Business Income Tax Returns (Form 990T) for 2016, 2015, and 2014 are subject to examination by the IRS, generally for three years after they are filed.

Principles of Consolidation

The consolidated financial statements include the accounts of Senior Services, Inc. and its subsidiary, Senior Services Foundation, Inc. All material intercompany transactions have been eliminated.

Fair Value Measurements

FASB ASC 820, Fair Value Measurements and Disclosures, defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

The fair value of financial assets and liabilities is measured according to the Fair Value Measurements and Disclosures topic of the FASB Accounting Standards Codification. Fair value is required to be evaluated and adjusted according to the following valuation techniques.

Level 1—Fair value is determined using quoted market prices in active markets for identical assets and liabilities.

Level 2—Fair value is determined using quoted market prices in active markets for similar assets and liabilities.

Level 3—Fair value is determined using unobservable market prices in a market that is typically inactive.

Reclassifications

Senior Services' policy is to reclassify certain amounts reported in prior years' financial statements when necessary for conformity with classifications adopted in the current year. These reclassifications have no effect on total net assets by class or changes in net assets by class of the prior year. Effective in 2008, the Foundation became a Type I supporting organization. A Type I supporting organization is required to have a majority of its Board appointed or elected by its supported organization. As a result, the financial statements for 2017 have been consolidated. For comparative purposes, 2016 has also been consolidated.

Subsequent Events

Management has evaluated subsequent events through October 6, 2017, the date the financial statements were available to be issued.

NOTE B - CASH

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash.

Lease expense was \$10,056 for the year ended June 30, 2017.

NOTE N – CONTINGENCIES

Grants from governmental agencies and foundations require the fulfillment of certain conditions as set forth in the instruments of grant. Failure to fulfill the conditions could result in the return of funds to grantors. Although this is a possibility, management deems the contingency remote, since by accepting the grants and their terms, management has accommodated the objectives of Senior Services to provisions of the grants.

NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE FINANCIAL AWARDS June 30, 2017

NOTE 1: BASIS OF PRESENTATION

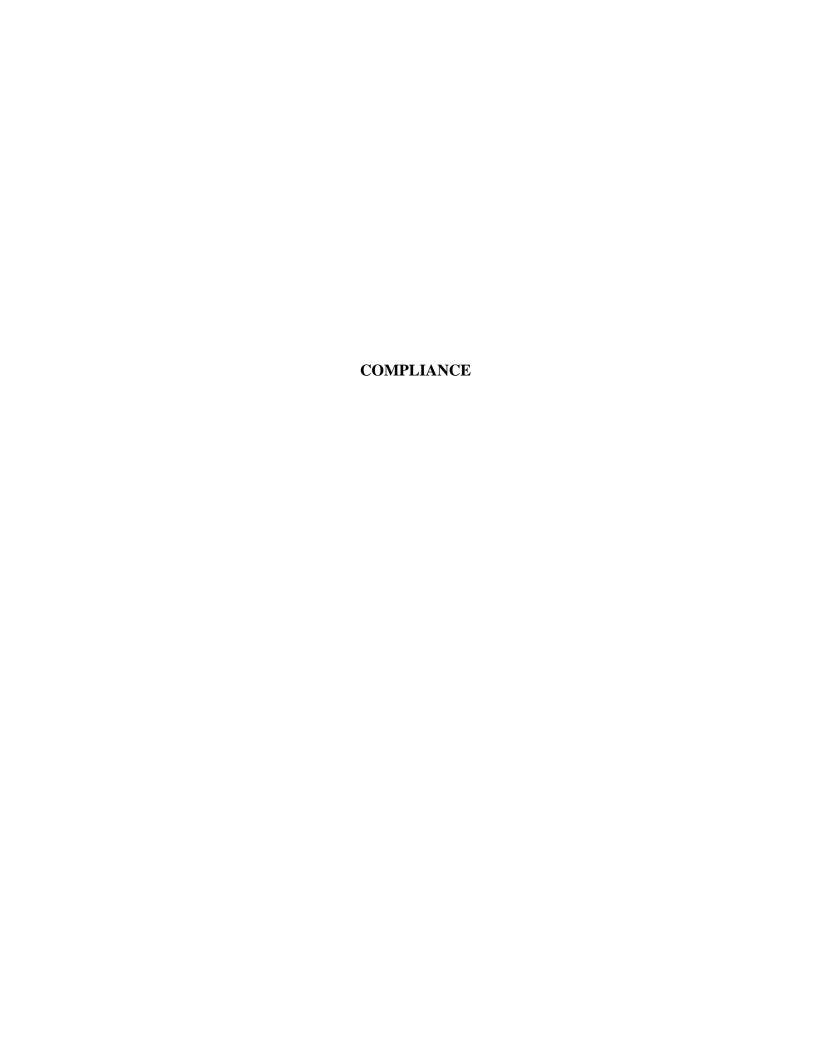

The accompanying schedule of expenditures of federal and state awards (SEFSA) includes the federal and state grant activity of Senior Services, Inc. under the programs of the federal government and the State of North Carolina for the year ended June 30, 2017. The information in this SEFSA is presented in accordance with the requirements of Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the State Single Audit Implementation Act. Because the schedule presents only a selected portion of the operations of Senior Services, Inc., it is not intended to and does not present the financial position, changes in net position or cash flows of Senior Services, Inc.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported in the SEFSA are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Senior Services, Inc. has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3:

The Organization has been designated as the Family Caregiver Support Program administrator for Forsyth County, North Carolina. In addition to providing leadership and administrative support for the program, the Organization has subcontracts with two organizations who provide services and receive a designated part of the funding equating to the \$12,700 shown in the "Passed Through to Subrecipients" column on the SEFSA. Purchase of service contracts were also done with five agencies totaling another \$9,595 that was paid for services not provided directly by Senior Services, Inc. The remaining \$44,015 funded services and administrative costs provided by Senior Services, Inc.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Senior Services, Inc. Winston-Salem, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements, related statements of activities and cash flows of Senior Services, Inc. (a nonprofit organization) as of and for the year ended June 30, 2017 and the related notes to the financial statements, which collectively comprises Senior Services, Inc.'s basic financial statements, and have issued our report thereon dated October 6, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Senior Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Senior Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Senior Services, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. We noted certain matters that we reported to management of Senior Services, Inc. in a separate letter dated October 6, 2017.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purposes.

Cannon & Company, S. F. P.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; WITH OMB UNIFORM GUIDANCE

To the Board of Directors Senior Services, Inc. Winston-Salem, North Carolina

Report on Compliance for Each Major Federal Program

We have audited Senior Services, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* and the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission, that could have a direct and material effect on Senior Services, Inc.'s major federal program for the year ended June 30, 2017. Senior Services, Inc.'s major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Senior Services, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards, the Uniform Guidance, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Senior Services, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Senior Services, Inc.'s compliance.

Opinion on the Major Federal Program

In our opinion, Senior Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Senior Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Senior Services, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Senior Services, Inc.'s internal control over compliance.

A deficiency *in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
